Changing Lives : The Impact of Hope and Prosperity

At Hope and Prosperity, our mission is to provide vulnerable children with a safe, loving, and supportive environment where they can grow, learn, and thrive. Today, we are proud to care for more than 70 children through our orphanage, giving them access to education, stability, and opportunities for a brighter future.

In this newsletter, we are pleased to share updates on the children's progress, developments within our orphanage, recent achievements, and the difference your support continues to make. Thank you for standing alongside us and helping bring hope, care, and opportunity to children who need it most.

None of this would be possible without the kindness and generosity of our donors. Your continued support enables us to provide daily care, education, meals, clothing, and a nurturing home for the children who rely on us. Every contribution, no matter the size, has a direct and meaningful impact on their lives.

Annual School Trip

This year, our children went to the Madhabkunda Waterfall as part of their annual trip. Surrounded by nature, laughter, and one another, they spent the day exploring, playing, and simply being children.

For many of us, moments like these are easy to come by. But for a child without parents, opportunities for carefree happiness can be rare. Their lives often begin with loss and uncertainty, and the simple joys we take for granted are not always within reach. That is why creating lasting, happy memories is not just important - it is essential. These moments stay with them, shaping their sense of belonging, hope, and self worth for years to come.

Because of your continued generosity, we are able to give these children experiences they may never have otherwise known. You are not only helping provide food, shelter, and education. You are giving them a childhood filled with warmth, dignity, and moments they can cherish forever.

Trips like this are more than just a day out. They are reminders to each child that they are cared for, valued, and not alone.

To all of our donors and supporters: your kindness makes all of this possible. Your ongoing support continues to transform lives in ways that words cannot fully capture. Thank you for standing with us and for helping create brighter futures, one memory at a time.

School Exams

Our children are currently sitting their half yearly examinations, and we would like to wish them every success during this important period. We pray for excellent results and a bright future for each and every one of them.

We also extend our sincere gratitude to our dedicated teachers at our in-house school for their continued hard work, guidance and commitment towards the education and development of our children.

Ramadan Appeal

During the blessed month of Ramadan, we were honoured to provide food packs to 330 underprivileged families across Moulvibazar and Sylhet. These essential packs helped families with basic food supplies, easing some of the financial pressures faced during this holy month and allowing them to observe Ramadan with greater comfort and dignity.

We extend our heartfelt thanks to all of our generous donors and supporters whose kindness made this initiative possible. Your continued support enables us to reach vulnerable families and provide meaningful assistance to those most in need.

May Allah reward all those who contributed towards this important cause and accept their generosity during this sacred time.

"The best house among the Muslims is the house in which orphans are well-treated. The worst house among the Muslims is the house in which orphans are ill-treated." (Sahih Al-Bukhari).

Rumana Begum and Eyarun Nessa Wedding

We are delighted to share some wonderful news from our orphanage. In October 2025, two of our beloved girls, Rumana Begum and Eyarun Nessa, began a beautiful new chapter in their lives as they got married.

After 12 years of love, care and support at our orphanage, we were honoured to arrange their marriages with dignity and respect. Both brides are now happily married to local retail business owners.

As part of our support, we covered wedding costs, provided essential household items for both brides, including bedroom furniture, kitchen utensils and special gifts to help them start their new homes comfortably.

We pray that Allah blesses Rumana Begum and Eyarun Nessa with a lifetime of happiness, peace and prosperity. Please keep them in your prayers as they begin this new journey together.

Boys Bedroom and Bathroom refurbishment

This year we are refurbishing the boys bedrooms and bathroom. This is an important new step in improving the lives of our children.

Every child deserves a safe, clean, and dignified place to call home. For orphaned children, this is even more vital. A well maintained environment is not just about comfort; it plays a fundamental role in their ability to feel secure, focus on their education, and grow with confidence. A clean bedroom gives them a sense of ownership and stability. A well presented, hygienic bathroom teaches self respect, routine, and care for their wellbeing.

Many of the children in our care came from incredibly difficult circumstances. Some had no home at all, living on the streets and in makeshift shelters. The orphanage has already transformed their lives by giving them safety, structure, and opportunity. This refurbishment is about taking that further, ensuring that the environment they grow up in truly reflects the dignity and care they deserve.

With your continued support, we are able to provide not just shelter, but a nurturing home where children can thrive, learn, and build a better future.

CHARITY DOES NOT DECREASE WEALTH

Supporting orphan is a greatly rewarding act in Islam. The Prophet Muhammad ﷺ said: "I and the one who sponsors an orphan will be like this in Paradise," and he held his two fingers together.
